BUXTON LINE WILL BE CHARTERED IN VIRGINIA

By Quick Action Company Will Be Enabled to Begin River Service Monday.

branced to begin liver Service Wonday.

By quick action, it is now expected that the Buxton Line, Inc., will be enabled to begin its stemmship service on the James River on Monday morning. There, was a threatened hitch because of the mandatory law which would prohibit the Delaware corporation operating a public service in this State.

As a result of long-distance telephone conversations yesterday believen the company's attorney. Paul W. Kear, of Norfolk, 1nd the State Corporation Commission a new charter has been prepared and dispatched to Richmond. In all probability the concern will become a Virginia, corporation today, and there will be no further obstacle to the beginning of immediate service.

The new freight tariffs are ready and will be filed by the commission as soon as the charter feature is disposed of.

Free time for the unloading of carload shipments of freight frozen in transit was extended yesterday by order of the State Corporation Commission from forty-eight to ninety-six hours when applied to the average agreement.

Mumps Proves No 76-MILE HIGHWAY WAITS CN BOND ISSUE FOR ROADS

Early Completion of Alexandria-Winchester Boulevard Depends on Assembly's Action.

on Assembly's Action.

The early completion of the Alexandria-Winchester Boulevard is dependent on the action of the next Legislature in passing on the proposed \$50,000,000 bond issue for State roads, it was amounced yesterday by the State Highway Commission.

The roxlway, which will be seventy-eight miles in length when completed, could be finished in two years if fands were qualiable now, William F. Cocke, assist ant highway commissioner, declared. As it is, funds are only available for building the road through Fairfax County, Loudoun is contemplating a bond issue, and Carke County is agitating one. Nothing has been heard from Fauquier and Frederick, the other two counties through which the proposed highway will run.

Under the Robertson act, which rave counties authority to issue bonds for the surpose of loaning money to the State to build roads. Fairfax County has made available \$500,000 on building a concrete road on the Model tiver Turnpike in that county.
